The Hon'ble AP Electricity Regulatory Commission issued orders on the ARR & FPT filed by the NPDCL in respect of Retail Supply Tariff for the FY 2011-12. The above tariffs were published in daily newspapers on 31.03.2011 and shall come into force with effect from 01.04.2011. The energy and demand charges in respect of HT categories are changed and also the Hon'ble Commission has introduced **KVAH based billing** system for all HT Categories instead of KWH based billing with effect from 01.04.2011.

Therefore, the meter readings for all HT services shall invariably be taken on 31.03.2011 midnight i.e., on 01.04.2011 at 00:00 hours by the officer concerned through MRI and may be incorporated in HT meter cards. The MD needs to be reset to ZERO for HT-VI Townships and Residential Colonies category only as the demand charges have been introduced to this category. These readings along with monthly readings obtained on regular due date furnished in the meter cards should be sent for billing.
